December 15, 1980.

The Association of Gay Social Service Workers endorses and supports the position taken by the Canadian Human Rights Commission on the subject of sexual orientation, as stated in the 1979 Annual Report of the Commission.

We support your efforts to effect the return of the Canadian Constitution to Canada, and we urge you to support personally the inclusion of sexual orientation in the Canadian Bill of Rights.

Please encourage your fellow parliamentarians to support these measures.

Yours truly,

The Association of Gay Social Service Workers.
