Dear Sirs:

As Co-chairmen of the Joint Commons/Senate Committee on the constitution of Canada we strongly urge you to consider including in the constitution now under consideration protection for the unborn and preservation of Roman Catholic schools with the guaranteed right to preserve the catholicity of those schools.

As a Catholic organization for men we believe strongly that any charter of rights must necessarily consider protection for the unborn since our organization is strongly against abortion. We also wish to maintain the right to educate our children in Roman Catholic schools.

We ask your consideration of the above.

Yours truly,

*Kasper Hollen*
