Dear Sir

With the federal government of Canada proposing a new constitution for Canada which would include an entrenched charter of rights, there are two issues that we the undersigned would like some assurance that they will be included in the new constitution:

FIRST:
That there will be protection for the unborn child

REASON:
A crime against life even at its inception is a crime against god.

SECOND:
The preservation of Roman Catholic Schools with the guaranteed right to preserve the Catholicity of those schools

REASON:
It provides the opportunity for a sound moral environment within the educational system, in harmony with family and church, forms a community that tends to guarantee high moral ideas and assurance of less family break-up which is becoming so prevalent in our society today

WE ASK FOR YOUR SUPPORT AND CO-OPERATION
