Sirs,

The Ottawa Coalition for Constitutional Process represents a number of concerned and involved Canadians in the Ottawa area who have come together to work for a democratization of the Constitution-building process.

We would be pleased to be given the opportunity to talk with your committee about the major issue of process and amending formula.

At such time as we are scheduled to appear, we shall provide you with a written submission in the form of a brief. We hope to be given a few days notice so as to be able to finalize our brief and to put it in acceptable form for presentation.

Thank you for your attention. We hope to be hearing from you shortly.

On behalf of the Ottawa Coalition for Constitutional Process,

Yours,

Victor Grostern
