Committee on the Constitution
of Canada
Parliament Buildings
Ottawa, Ontario

Dear Sir:

Please accept this letter as a formal request of the Pacific Vocational Institute to appear before the Committee, in the matter of a submission on the Constitution of Canada.

The Institute wishes to present its views on the significance of shared Federal/Provincial Relationships as they should apply in future post-high school vocational training responsibilities, under a Constitutional framework.

The Principal and Chief Executive Officer of the Institute, Mr. H. E. Justesen will be in Ontario during the latter part of November and would be available to appear before the Committee on relatively short notice. Your immediate acknowledgement will greatly assist in any interim planning arrangements.
