Mr. Sandy Birch
Clerk, Joint Committee of the Senate
& House of Commons on the Revision of the
Canadian Constitution
Parliament Buildings
Ottawa, Ont.

Dear Sir;

We the Band Members of the Pavilion Indian Band do request that our concerns be heard by your committee, as to the patriation of the constitution by the Liberal Government of Canada. We are the First People of Canada, and we demand that our Indian Rights and our hereditary rights be entrenched into the Constitution, and we also demand that this supposedly just government recognize our Indian Leaders as leaders in their own country and therefore should have participation and involvement in any changes of the constitution.

We also advise the committee that this serves as our written representation to oppose the patriation of the constitution until our Indian Rights are entrenched in the constitution and our Indian Leaders are able to participate in any changes in the constitution.
