

# WHAT HAS HAPPENED TO OUR COUNTRY?

The list of NO's grows. A £500,000,000 war budget doesn't leave anything over for subsidies for farmers or flood relief or superphosphates.

Hence food shortages and prices get higher. But if I winge about the butter shortage and resulting high prices in the grocers' shop, I could be declared subversive.

Women must say NO to such a policy

This is the cry of thousands of women today, especially with more and more migrants coming into the country. This is the cry of thousands of women to building material getting scarce and housing loans cut.

If I demand a home—not army barracks for my family—I could be declared subversive.

Women must say NO to such a policy

Under the plan for war the men can be conscripted into the army.

We women could be used to replace the men, and do their jobs at lower rates. We would be expected to make war munitions on the cheap. If I say we want equal pay for equal work, I could be declared subversive.

Women must say NO to such a policy

Mothers to be sent home 48 hours after confinement. T.B. sufferers and Old Age Pensioners dying for lack of hospital treatment.

Poliomilitis on the increase. The John Curtin Institute of Medical Research to be closed down.

If I campaign for more beds in my local hospital I could be declared subversive.

Women must say NO to such a policy

They've cut down on cash orders and time payment. I can't expect a washing machine now.

If I say I should have the right to buy my furniture on time payment I could be declared subversive.

Women must say NO to such a policy

I am a Mother. I love my son. I want him trained to build not to destroy. I want him to enjoy life on playing fields, not end his life on the battlefield.

If I want to keep my son and I oppose conscription, I could be declared subversive.

Women must say NO to such a policy

"£6,000,000 needed for pre-school education in N.S.W.," said Mr. Hefron in 1946. Proposed atom bomb tests in Australia will cost £50,000,000.

If I say NO ATOM BOMB TESTS in Australia, let us spend more money on schools and kindergartens, I could be declared subversive.

Women must say NO to such a policy

I want to extend my hand in friendship and peace to the women of other countries—I want to look forward to a future of happiness and security for my family.

But if I say I will resist the trend to war I could be declared subversive.

Women must say NO to such a policy

White Mother at mixed race meeting. Why my children go to school with the negroes, I don't think there is anything wrong with it.

A few years later in school they get along swell.

Leaving high school together.

Calling on your daughter.

Marrying your daughter.

Your grand children - one white - one black.

Hello Uncle George - Hello Aunt Mary  
(And you thought it would not happen.)

Hello Grandpa - Hello Grandma

Baby sitting with your grand children.

Making A Big Stink

They do this with the money you thought went to charity, but it does not go that way. They use your money to fight you back with, to get laws made for their own benefit.

Wake up for your country's sake, City and State, for your own sake and the future generations sake, and the white peoples sake as well as the colored peoples sake. Our enemies are behind the move. They have been undermining us for the last 30 or 40 years. We are so divided, that if a war started tomorrow, God only knows where we would land. Our enemy is organized - but we are not.

RACIST SCRAWLS make Toronto blacks wonder whether they can expect fair treatment. A study

found that 70 per cent of blacks polled were happy with Metro, but said there is discrimination here.

SPECIAL RIGHTS FOR JEWS??

Do you believe that jews are entitled to special consideration because of their race and religion ?

Do you believe that law enforcement should be relaxed, so jews can promote via the "Boob Tube" television, and power of the cheque book, looting and burning without fear of punishment ?

Do you believe that jewish promoters of rioting and looting should be rewarded with more and bigger handouts extorted from the hardworking law-abiding non-jewish taxpayer ?

Do you believe that jewish paranoids should be allowed to threaten and intimidate the House of Commons and the Canadian Public ?

Do you believe that jewish "middlemen" are entitled to 90% of the handouts of the "Canada Council Grants" and other "awards" ?

Do you believe that Canadians should be elbowed to second-class status in their nation ?

Do you believe that people who live and work in Canada should be required to submit to international jewish conspiracies and jewish bankruptcy frauds ?

Do you believe that jew agitators should be free to incite hate and violence in this country ?

Do you believe that jew criminals should be permitted to stockpile arms and organize guerrilla warfare in Quebec, while the non-jewish citizens of this nation are systematically disarmed by gun laws ?

Do you believe that jews are indispensable to the harmonious and orderly functioning of our society ?
