review the security problems which may be manifested during the 1976 Olympic Regatta.

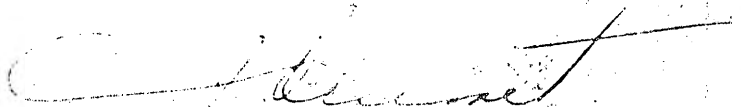

It is intended that arrangements will be made, through the "A" Division Coordinator, for at least one member of my Secretariat to view this event.

Budget Requirements

Submissions have been requested from "HQ", "C", "A" and "O" Divisions in regard to the 1975/76 Olympic Budget. Replies are to be received by August 1, 1974 and will be correlated and submitted to the DSS by September 1, 1974. These submissions will be specific in regard to equipment requirements.

A Treasury Board submission will be required concerning accommodation requirements in Montreal at the old "C" Division Headquarters and at the Notre Dame College. However, this cannot be initiated until firm decisions are made as to the precise needs of the C.O.C. Division.

It should be emphasized that due to the limited time frame available to complete the required renovations approval in this regard should be obtained at the earliest possible date.
