MANPOWER REQUIREMENT FROM OTHER DIVISIONS

SPECIAL OPERATIONS

24 investigators reserved on a stand-by basis as a marginal resource.

- These investigators are required for on-site maintenance of [redacted] operations.

- Manpower request is based on a [redacted]

- This resource should be available from 1 June 1976 until 1 August 1976.

- Personnel would be expected to carry out their normal duties (e.g. H.Q. S.S.) but be available to report to Montreal within 6 hours if and as required depending upon two factors:

(a) availability of "C" Division reserved investigator personnel not involved with other Olympic priorities, a situation which will fluctuate.
