Re: Visa Control - Non Immigrants -
Terrorist Suspects

The Terrorist Non Immigrant Screening Program, under Section 7.63 of the Immigration Manuel, known as VARLET will in future, be referred to as STATESMAN, effective 20 October 1975.

2. We anticipate there will be a number of incoming telex's for some time under both designations. There will, however, be no changes in handling procedures at the "HQ" level.
