Subject - Sujet: 1976 Olympics - Manpower Requirements

With reference to the "C" Division memorandum of May 2, 1975. I have relatively few comments since most of "C" Division's requests involve Operations. However, and based on verbal discussions between Supt. Cobb and myself, I intend to commit essentially our whole Operations Section to Olympics associated targets as necessary after January 1, 1976. Before that time I intend to send key individuals into Montreal on orientation sessions. While presumably Montreal will be the main center for Olympics associated operations, the personnel will be available on a priority basis for any Olympic associated target anywhere in Canada. Basically, what I am saying is that the Olympics will get first priority but this does not necessarily mean that Montreal itself will get first priority.

In general, I foresee that the highest priority for
