

9-10 GEORGE VI.

CHAP. 25.

An Act to confer certain transitional powers upon the Governor in Council during the National Emergency arising out of the War.

[Assented to 18th December, 1945.]

WHEREAS the *War Measures Act* provides that the Governor in Council may do and authorize such acts and things, and make from time to time such orders and regulations, as he may by reason of the existence of real or apprehended war deem necessary or advisable for the security, defence, peace, order and welfare of Canada; And whereas during the national emergency arising by reason of the war against Germany and Japan measures have been adopted under the *War Measures Act* for the military requirements and security of Canada and the maintenance of economic stability; And whereas the national emergency arising out of the war has continued since the unconditional surrender of Germany and Japan and is still continuing; And whereas it is essential in the national interest that certain transitional powers continue to be exercisable by the Governor in Council during the continuation of the exceptional conditions brought about by the war and it is preferable that such transitional powers be "exercised hereafter under special authority in that behalf conferred by Parliament instead of being exercised under the *War Measures Act*"; And whereas in the existing circumstances it may be necessary that certain acts and things done and authorized and certain orders and regulations made under the *War Measures Act* be continued in force and that it is essential that the Governor in Council be authorized to do and authorize such further acts and things and make such further orders and regulations as he may deem necessary or advisable by reason of the emergency and for the purpose of the discontinuance, in an orderly manner as the emergency permits, of measures adopted during and by reason of the emergency: Therefore His Majesty, by and with the advice and consent of the Senate and House of Commons of Canada, enacts as follows:-
